FOUNDATIONAL SKILLS CAMPS

**BUILDING FOUNDATIONAL SKILLS IN A
FUN AND SAFE ENVIRONMENT**

LOVE THE GAME. LEARN THE GAME.

Here are some key considerations for parents that are fundamental to our approach

Can you educate my child? Our full-time recruitment team hires the best international or US-based staff, preparing them to deliver our expert curriculum.

Can you inspire my child? Anyone can put on a camp to fill a summer schedule. We aim to ignite the passion and we train all of our staff to lead with an infectious energy that engages players of all ages and ability.

Does this work for my schedule? Parents want flexibility. We provide that through a range of sessions that you can customize if you so please. It's your camp in your community but we'll run it for you.

Will my child improve? By focusing on technical foundations whilst creating a positive, safe and fun environment, our coaches are able to ensure that each individual develops at their own pace.
